Subject: Letter of Recommendation for Ms. Alexandra Lejeune

I, the undersigned, Pauline PILTANT, representative of P&C International, am pleased to provide this letter of recommendation for Ms. Alexandra Lejeune, who held the position of Senior Project Manager within our company.

Throughout her collaboration with our team, Alexandra consistently demonstrated professionalism, autonomy, and an impressive ability to manage multiple complex projects simultaneously, always meeting deadlines and exceeding client expectations.

She successfully oversaw the full project management cycle, from planning to final execution, including logistics coordination, budget oversight, and client follow-up. Notably, she led the organization and management of French and American pavilions at international trade shows in countries as diverse as the Czech Republic, Brazil, Peru, Philippines, and Greece.

Alexandra always worked independently while remaining fully aligned with the objectives and quality standards of our company. Every project she led was praised by our clients for its quality, smooth execution, and professionalism.

It is with complete confidence that I recommend Ms. Lejeune for any future opportunity. I am certain that she will be a valuable asset to any organization fortunate enough to benefit from her expertise.

Please feel free to contact me should you require any additional information.

Sincerely,

Pauline PILTANT
founder, P&C International
